

Digital Response Volunteer Agreement

Between church name
and volunteer

The following measures have been put in place to support and equip the volunteer with the skills and confidence needed to handle digital enquires and to ensure specific regard has been given to the safeguarding and data protection of the volunteer and general public.

The church will provide the following support to the volunteer;

- Response training video series
- Basic safeguard awareness training
- Basic data protection training
- DBS check of the volunteer
- Safeguarding policy
- Data protection policy
- Support for safeguarding and data protection concerns from the named individuals below

Prior to starting to respond, the volunteer will;

- Watch all of the response training video series
- Undertake the basic safeguard awareness training
- Undertake the basic data protection training
- Support with documentation needed for a DBS check
- Read and confirm you have understood the safeguarding policy and its requirements
- Read and confirm you have understood the data protection policy and its requirements
- Raise any concerns immediately that arise whilst undertaking response with;

Safeguarding: Name:
Contact Number:
Email Address:

Data Protection: Name:
Contact Number:
Email Address:

In signing below, each party confirms that they have undertaken all bulleted preparation measures above. The church leader will first sign on completion of their support and forward it to the response ministry leader, who will in turn ensure the volunteer has undertaken their commitment outlined above, in advance of service in this ministry.
