PARTNERSHIP ROADMAP

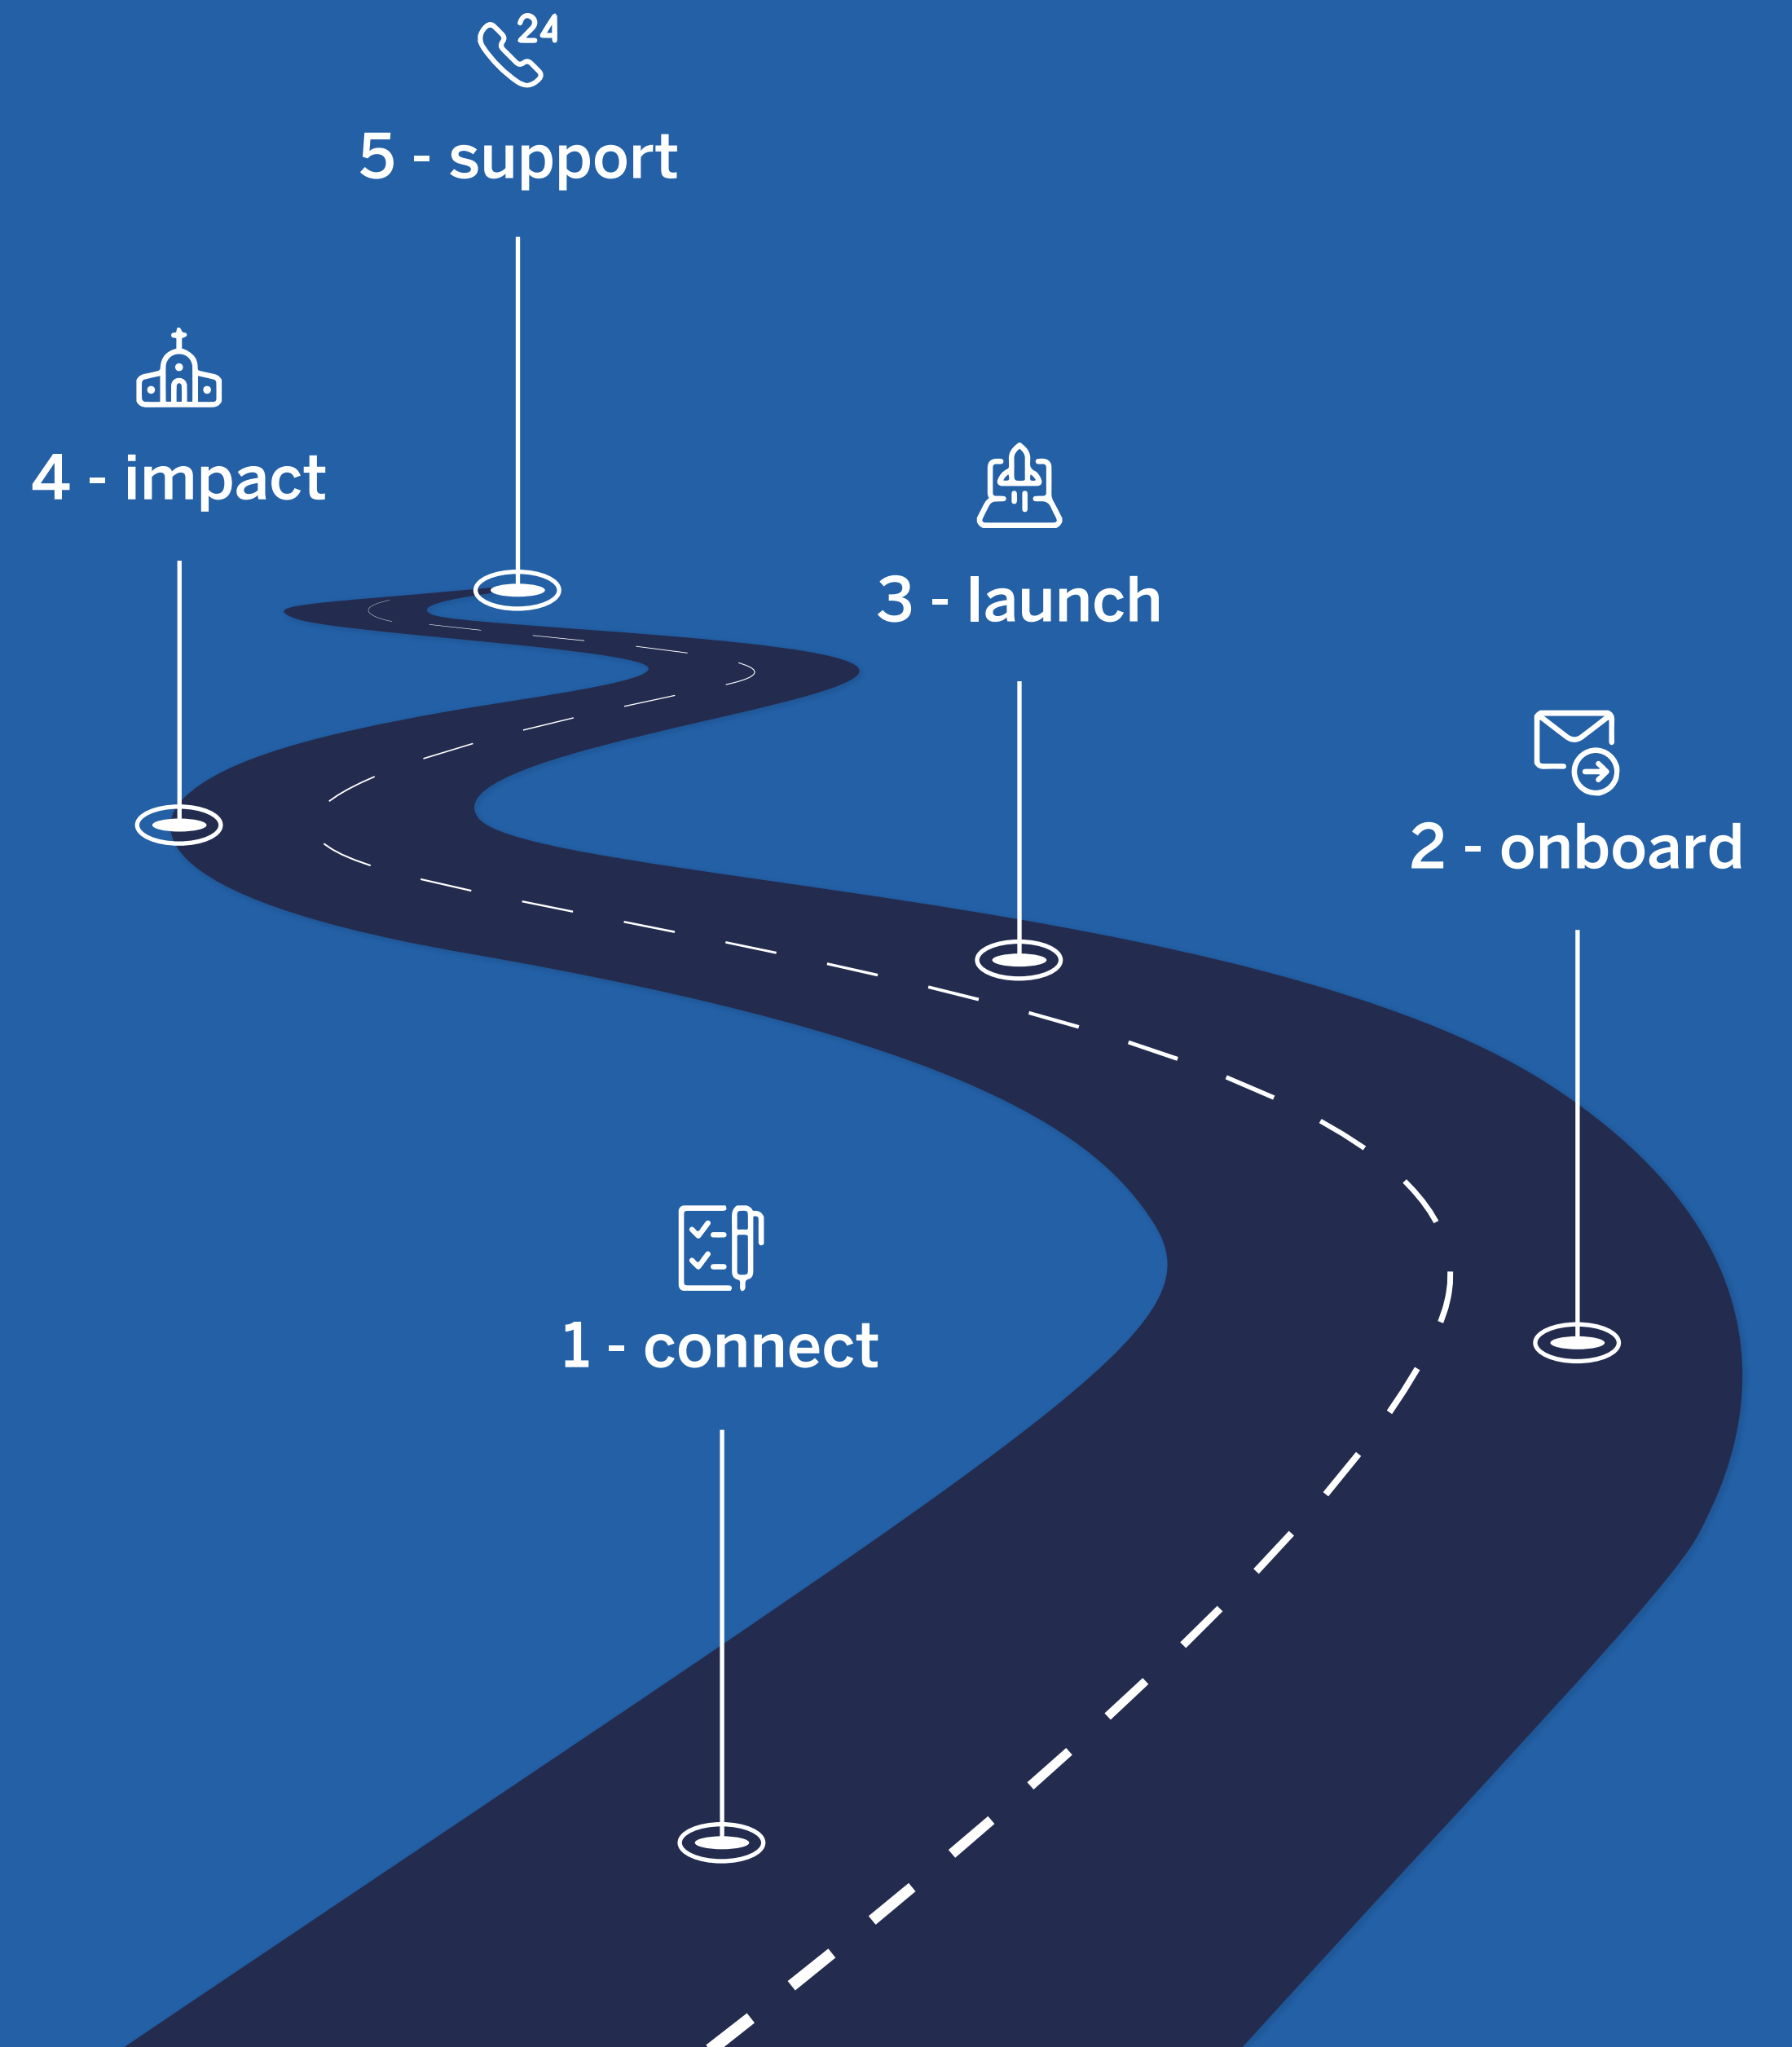

CV Outreach

PARTNERING TOGETHER. REACHING THE NATION. CHANGING LIVES.

Evangelism is at the heart of all we do at CV, and we believe that the Church is at the centre of God's plan to reach the world with the Gospel.

We therefore welcome and cultivate relationships that build the Kingdom of God and we are committed to freely contributing our digital media, evangelism and discipleship tools, as well as our knowledge and learnings.

CV Outreach is a free program designed to connect your church to people looking for answers about life, purpose and faith. Our vision is that by partnering with churches we can reach a nation, and connect them with the Gospel by using effective media platforms to introduce them to Jesus and change lives.

Equip:12 (E:12) is a 12-week aftercare program which prepares and provides your church with tools, knowledge and resources for Kingdom building and supporting online explorers.
